Pursuant to Local Rule 6-1(b), Plaintiff Mary Butchko ("Plaintiff") and Defendants Mills-Peninsula Health Services and Mills-Peninsula Health Services Retiree Medical Plan ("Defendants"), through their attorneys of record, submit this stipulated request to continue the

Case Management Conference set in this case from Tuesday, September 3, 2013 by fourteen (14) days to Tuesday, September 17, 2013. Good cause for this stipulated request exists because the parties have been actively engaged in settlement negotiations and believe that they could reach an agreement within the next fourteen days. Continuing the Case Management Conference by two weeks will enable the parties to determine if they can come to a quick resolution of the case while also reducing the amount of attorney-time invested in the matter, which will facilitate settlement. For these reasons, the parties respectfully request that the Case Management Conference be continued by fourteen days from September 3, 2013 to September 17, 2013.
